The first day we drive from Srinagar to Pahalgam and reach Chandanwari. From Chandanwari the trek starts beside the shimmering Lidder river. The trail goes through fine forest covers here in Kashmir along the river stream. There is a gradual ascent to the Pissu top which is at an altitude of 11,000 ft. Further, it is a sharp ascent to the Sheshnag Lake. The turquoise blue waters of the lake looks gorgeous. We enjoy the mesmerizing beauty of the lake and setup our camp in the vicinity of the lake and settle for the day.

Sheshnag Lake (sight-seeing and fishing)

On the second day we would be doing some exploration around this beautiful turquoise lake and if the clients are interested then fishing can also be done in the lake as there are trout fishes in the lake. Prior permission can be taken from the Fisheries department for that. Night stay in the camps. The lush green meadow surrounds Sheshnag Lake and makes the site more interesting. It is of great significance to Hindus because of the mythological beliefs.
